She's moving too fast, you can't carry on
she's gonna knock you first, she's much more stubborn
when pigs might fly, you'll reach her level
now you look so tired, she just did you a favor

when she punches in the air you're not in the game anymore
in the air she strikes like an arrow !
She fights in the air, you seems to do your best
but you're an extra on the ring
she strikes like an arrow !

Awesome awesome

You waste your time,

you look surprised
like you just lost the control
You don't know why but you
look like a target for her
don't be so mad
cause she just did you a favor

when she punches in the air
you're not in the game
anymore in the air
she strikes like an arrow !
She fights in the air,
you seem to do your best
but you're an extra on the ring
she strikes like an arrow !

She fights, she rules, she rules, she fights
Awesome awesome

You can't carry on, she's awesome
all the girls in the ring, they're awesome
all my fellows in the fights, you're awesome
the sisters in the riots, you're awesome

they all strike like an arrow
strike like an arrow
